SECTION A

SECTION B

## **WATER HEATER REBATE APPLICATION QUALIFICATIONS**

### **WATER HEATER ELIGIBILITY CRITERIA**

- Must be a member of the cooperative
- The energy efficiency rating of the new unit must be a minimum of 0.9 or greater (may be found on manufacturer label on box)
- If the new unit replaces an old unit, the efficiency rating of the old electric unit must be less than 0.9
- Tankless water heaters are NOT eligible for this program
- Hybrid heat pump water heaters are NOT eligible for this program
- Gas water heaters are NOT eligible for this program
- Limit of up to two (2) per member address/location
- Rebates are available for existing and new homes
- Rebate applies only to 40 gallon or larger electric water heating units.
- Replacing a gas water heater with an electric water heater is not eligible for a rebate.

### **ROOM AIR CONDITIONER ELIGIBILITY CRITERIA**

- Must be a member of the cooperative
- Cooperative must verify an ENERGY STAR rated room air conditioning unit is purchased
- Limit of one (1) rebate per member address/location
- The rebate will apply for the purchase of one new ENERGY STAR rated unit or for the replacement of an existing unit
- Rebates are available for existing and new homes

### **DISCLAIMER**

The Cooperative is not responsible if your contractor, retailer, builder or other party provides you with inaccurate information about the amount or conditions of the actual rebate. The Cooperative will not rebate equipment that has been mislabeled, misrepresented or previously owned. The Cooperative reserves the right to inspect the equipment and its installation at the address indicated on the front of this application. The Cooperative is not responsible for any lost, late, stolen, ineligible, misdirected or postage due mail. All completed applications will become the property of the Cooperative. Rebate qualifications and amounts are subject to change at the Cooperative's discretion and the program may end at any time without notice.

## LOAD CONTROL AGREEMENT ELECTRIC WATER HEATER

Tri-County Electric Cooperative (hereinafter called the "Cooperative") and \_\_\_\_\_ (hereinafter called the "Member") agrees as follows:

1. The Member has an electric water heater that is at least 40 gallon tank capacity and has electric heating elements (interlocking) of at least 4500 watts in size.
2. The Member agrees to allow the Cooperative to "drop" or "shed" the electric water heater from the Cooperative lines at such time or times and such interval or duration as the Cooperative deems necessary.
3. The Member agrees the Cooperative will not be responsible to pre-notify the Member of its intent to shed or drop the load or loads, stipulated herein.
4. The Member agrees to hold the Cooperative harmless for any liability whatsoever for any damages caused by such shedding or dropping of the Member's load, or for any malfunction, or installation of such load control devices on the Member's premises, or at the site of such load control devices.
5. The Member agrees to allow the Cooperative the right of ingress and egress upon the Member's property for the purpose of installing, inspection, or removal of the Cooperative's load control devices and ancillary wiring or equipment.
6. The Member agrees that any tampering, alteration or interference with the Cooperative's load control devices or ancillary wiring or equipment shall cause this agreement to be null or void, giving the Cooperative the right to remove such load control devices and ancillary equipment, with the Member being obligated to reimburse the Cooperative for said removal and original installation expenses associated with the same.

This continues the entire agreement between the Member and the Cooperative and any oral modification shall be invalid.
